1. Angler of the Year Qualifications: The team accumulating the most points will become our Anglers-of-The-Year (AOY). There will be NO throw outs. All AOY awards will be announced & awarded at the Championship. Day one of the championship will be counted for the angler of the year points. All AOY awards will be announced & awarded on day 2 of the Championship.

A minimum of 10 teams on average must participate for the Angler of the Year to receive the basic entry paid for the following season.

- The LTF Angler of the Year team will win \$110 per tournament for a total of \$990, toward the following season. Anglers of the Year must fish with same partner to use the credit voucher.
- The NIGHT Tournaments Angler of the Year team will win \$135 per tournament for a total of \$675, toward the following season. Anglers of the Year must fish with same partner to use the credit voucher.
- The team accumulating the most points will become our CRAPPIE Anglers-of-The-Year (AOY). There will be 2 throw outs. The Crappie Angler of the Year team will win \$40.00 per tournament for a total of \$320, toward the following season. Anglers of the Year must fish with same partner to use the credit voucher.

2. Awards Ceremony Attendance & Awards — While generally recognized that attendance at presentation of awards ceremonies is an act of respect, it is not always possible for all to attend. Those not attending forfeit any claim to trophies or merchandise earned in competition or sponsor give aways. The Tournament official will mail all monies to such individuals. 1st Place will be expected to share how they caught their fish for the Let's Talk Fishin Program. Awards & payouts will be about 1 hour after the last angler has completed their weigh-in. LTF Awards are emailed after the tournament. If a framed award is desired, they will be available at the next LTF Tournament.

3. Breakdowns / Emergencies — Anglers are not permitted to leave their boat or touch another boat, with the exception of emergency or major equipment failure. In the case of a breakdown on the water, the fishing partner may accept assistance in the form of a tow from or a return ride with any other boat on the waters. While in tow, or riding, those contestants accepting assistance, are not permitted to continue fishing. However, other contestants, if rendering assistance, may continue fishing. Should one of the contestants decide to stay with the troubled craft, he may send his catch with his partner to the Weighmaster. The angler who remains with the craft may not continue to fish once he has sent his catch to the Weighmaster. Anglers with fish to be taken to weigh-in may only be transported via another tournament contestant's boat or a method approved by the tournament director.

4. Cellular Telephones — Cell phones or other communication devices, including all forms of text messaging are allowed in boats as an emergency tool only; boat-to-boat communication is prohibited except for emergency purposes. Anglers who communicate with others during tournament hours for the purposes of bettering their fishing circumstances will be disqualified by the tournament director.

5. Championship Payouts /and qualifiers are determined as follows:

1. Fish 9 tournaments and automatically qualify for the championship option pot.
2. After those who qualify by fishing 9 tournaments, we will take the top 25% of the

remaining season's participation based on their total points (see points races). Anglers must fish 7 of the 9 Tournaments to qualify in the top 25%.

This is a two-day tournament in May. Day 1 is a regular tournament (this does count for one of the 7 tournaments to qualify) and is used for the 1st day of the two-day championship for those fishing for the championship pot. Biggest Fish for each day will pay 10% of the championship pot and a \$50 side pot will be offered (\$25 each day). There will also be a \$50 Winner Take All side pot offered with only first place splitting the pot each day. LET'S TALK FISHIN wants to include as many anglers as possible, so fractional numbers are rounded up.

6. Citations — Any contestant cited by officers for violation of City, State or Federal fishing or boating regulations jeopardizes his daily catch and may be subject to disqualification by the tournament director.

7. Cooperation with Media/Promotion — within the framework of reasonable requests, all contestants in LET'S TALK FISHIN events will cooperate with media representatives covering said event. In the unlikely event that the weights are also a tie, the winner will be determined by the big fish caught during the season. Should this also be a tie, the winner will be determined by cutting a deck of cards with the high card being the winner. Aces are high with suit hierarchy from high to low being spades, hearts, diamonds, clubs. **Any Team that fishes 8 tournaments will automatically qualify for the championship pot (see championship pots for more information).**

35. Sight Fishing — The intentional snagging of fish is strictly prohibited.

36. Size & Bag Limits — Bass Anglers qualifying fish (Largemouth, Smallmouth, and Spotted Black Bass) must be a **minimum of 12" in length**, measured laying flat with the mouth closed on a flat board. 37. Solo Anglers/Buy Ins

Solo Participation

Declared Partner Requirement

To remain eligible for the Year-End Points Race and Angler of the Year (AOY), anglers must fish a minimum of three (3) tournaments during the season with their declared partner.

Solo Angler Inspections & Observers

Any angler competing solo may be subject to a FULL boat inspection and/or may be required to fish with an observer, at the discretion of the Tournament Director.

Championship Qualification – Buy-In Events

Anglers may use up to two (2) Buy-In Events toward meeting the requirements to qualify for the LTF Championship.

38. Sportsmanship — The laws of sportsmanship and good judgment as well as courtesy towards others on and off the water will be adhered to at all times. Specifically, the use of obscene language or gestures is specifically forbidden at any time prior to, during, or after the event in the immediate area of the host marina, weigh-in area, lodging facilities, or tournament headquarters.

39. Standings/Ties — Final standings in any LET’S TALK FISHIN event will be determined by the heaviest cumulative weight for the prescribed tournament period. The cumulative total will reflect the actual weight of the fish caught, less assessed penalties, if any. In the case of a tie, the prize money and points will be awarded in the following manner: For cash awards, the designated prizes will be added together and split among those tied for a given place. (Example: A two-way tie for fifth place would split the cash awards designated for both 5th and 6th place and each would receive 5th place points). This applies to option awards as well.

40. Text Messages — By registering for a tournament with Let’s Talk Fishin you are agreeing to receiving marketing SMS from Twilio, Inc (our SMS provider). Message frequency varies. IT IS THE RESPONSIBILITY OF EACH CONTESTANT to know these rules. A rules violation compromises the entire tournament field.

43. Under the Influence/Alcoholic Beverages/Narcotics — Any contestant under the influence of, or in possession of, alcohol, barbiturates, marijuana, or any other controlled substance in his or her boat maybe disqualified at the tournament director’s discretion.

44. Weigh-In — When approaching the scales for weighing please have fish bagged and big fish tagged. When presenting fish to be weighed, they immediately become the “official catch” of the contest, and they become the possession of the Weighmaster to measure, weigh and record as such. Big fish should be tagged to help identify the big fish quickly. In the case a Big fish is caught early in the day it may be weighed in anytime and recorded as part of the anglers catch of the day. It will become the responsibility of the weighmaster at that time to take care of the fish. This is for a better survival rate of the Big fish. Requests for a re-weigh will be granted however the 2nd weight will be the final weight.
