

You are Invited!

We would like to invite your business to participate in the 2024 Bass Classic. Our annual outing, normally held in May, will be held on Thursday/Friday, April 11th/April 12th at Lake Alamo.

Our tournament was originally created over 40 years ago for State Troopers that had made the ultimate sacrifice for the people of Arizona. Through our 501c(3) charitable foundation (AZTROOPERS Charities), we help support families of our fallen and offer college scholarships for the children of our members.

The tournament includes two days of lake fishing, a tournament dinner, raffle prizes, fun lake activities, team awards, and other contest prizes. Each angler receives a tournament bag including a hat, free merchandise/offers from our sponsors, and other items. We have included an information packet for your review should your business express interest in hopefully becoming one of our event sponsors or even just a participant. You can also get more information at letstalkfinshin.com. There you will be able to view some of our previous events, learn more about our organization, and even see photos showing just how much fun we make sure everyone has.

Our sponsorship packages offer you and your business an opportunity to not only support a great cause and get exposure and recognition among the participants, but also with our members within the Department of Public Safety, our over 35,000 followers within the state of Arizona, and the over 10,000 readers of our magazine which consists of both other businesses and potential customers alike.

We thank you very much for your time and consideration and I look forward to speaking with you should you be interested in supporting us. However, even if you decide to take a pass this year, we hope you will help us get the word out to your customers and employees and possibly even attend as a participant. We would love to see you there. Feel free to contact me at scott.stoeckel@aztroopers.org, or 888.291.6551 x500 if you have any questions. Your consideration is greatly appreciated whether for sponsorship, raffle prizes, or just donations.

Sincerely,

Scott Stoeckel, Chairman
AZ Troopers Bass Classic Committee
